DATE/TIME: May 14, 2021, 9:00AM-4:00PM
LOCATION: Virtual via Zoom
DESCRIPTION: This full day virtual training will provide general advanced training as well as PCIT specific advanced training for PCIT clinicians.
CEUs: 6 CEUs
COST: Free
ELIGIBILITY: Licensed mental health providers in the State of Arkansas who treat primarily children and who have attended or are currently attending a PCIT training with ARBEST.

**Providing More Culturally Conscious Mental Health Care, 9:00 AM – 12:00 PM, Eva Woodward, PhD**
This session will review culturally conscious mental health care. Participants will discuss mental health care challenges for unique groups of Arkansans, and will identify strengths and challenges to providing care that is attuned to the variety of cultures clients carry with them.

**How are “–isms” Affecting Your Practice?**
**Moving Toward Cultural Humility in PCIT**
1:00-2:30 PM, Glenn Mesman, PhD & Joy Pemberton, PhD
This session will provide guidance on practicing PCIT with cultural humility. Participants will discuss ways to infuse components of diversity, equity, and inclusion into PCIT, and will explore how to use CDI and PDI skills to appropriately support diverse families.

**Ending With(out) a Bang: Tips for Navigating PDI Successfully** 2:30-4:00 PM, Glenn Mesman, PhD & Joy Pemberton, PhD
This session will help participants navigate challenging aspects of PDI and avoid common pitfalls that occur in this phase. Participants will learn how to coach caregivers to climb the “command ladder,” select the appropriate homework, and explore potential house rules.
